ACKNOWLEDGEMENTS

The compiling of the checklist in its present form would not have been possible without the generous assistance of three of my colleagues in the field of Papuan linguistics: Professor J.C. Anceaux, who shared with me his rich store of lexical data in the languages of West and North Irian Jaya; Dr Myron Bromley, who supplied me with the most recent survey wordlists of languages in the Highlands and the Lake Plain, and Dr P.A.M. van der Stap, who kindly gave me his unpublished grammars and dictionaries of Moni, Uhunduni and Dani, as well as the Iha grammar and wordlist by Coenen. To them, and to Mr J. Heyward of the Australian National University, who drew the excellent maps going with the list, my most sincere thanks.
