- ACKNOWLEDGEMENTS -

Many people have assisted and supported me during the writing of this thesis, in varying ways and varying degrees. The list is long, but all these people have 'come up with the goods' and been there when I've needed them. Position in this list in no way reflects the amount of time spent or significance to me of their help.

So many thanks to Peter, Lee, Jude, Dawn, Arthur, Adam, Juliet, Les, Paul, Vyv, Phill, Evan, Friedegard, Bill, Erst, Pat, Sid, Ernie, Jill, Stewart, Cynthia, Lyn, Melissa.
